# Dalby Dare: Have you got what it takes?

## Dalby Dare

£33.50\* including entry to Dalby Dare event, weekend pass, programme

Ever wondered if you've got what it takes to ride a round of the World Cup? There's a reason why the pro's get paid for this but if you'd like a taste of what they go through (as well as an introduction to some of the other amazing trails that Dalby has to offer), why not sign up for the Dalby Dare?

As part of this 25km off-road challenge you'll be timed around one lap of the World Cup course before flying off into some of Dalby's other top class trails. There's no prize for the first rider across the line, but you do get your Dalby Dare t-shirt, designed for mountain bikers, a downloadable certificate and a goody bag.

You also get an adult weekend pass as part of your entry so you can see how the pro's tackle the course on Sunday, with the satisfaction of being able to say 'I rode that!'

\*Ticketmaster fees apply.

Please note Dalby Dare entries are required to be processed individually for administrative purposes. The adult weekend pass allows entry for the Dalby Dare rider only on the Saturday and Sunday. Regrettably this ticket is not upgradable or transferable.

The Dalby Dare gives you the opportunity to line up on the World Cup start line and take on a full timed lap of the World Cup course. To ensure everyone gets the most from the event, there will be a staggered start split into 3 waves. These aren't based on age or gender, so which one sums you up best?

### Big Ring

You only know one speed and that's fast! You race regularly, took off your granny ring as soon as you got your bike and are taking part to see how quick you can do a lap of the world cup course.

### Middle Ring

You've taken part in a few enduro's before, but are more into racing your mates than getting on the podium and chasing ranking points. Just because you wear baggy shorts doesn't mean you don't partake in a little secret training to ensure you get to the top first.

### Little Ring

You happily ride red and black grade trails and don't mind sticking it in the granny ring and spinning up the climbs. You're taking part to challenge yourself and get the chance to tackle that World Cup course!

Remember, these are all black and red grade trails and not for the faint-hearted, but why not challenge yourself and sign up today!
